

As a special thank you for registering for Health Benefits Nation, all attendees receive access to the health care course library offered in the Certified Health Value Professional program.

These self-paced, 100% online health value learning courses provide the deeper, specialized training needed to optimize health benefits offerings, curb wasteful spending, and provide employees with a higher quality of care.

Graduates of the program have saved their companies thousands of dollars in wasteful spending. The CHVP designation qualifies for SHRM recertification credits when you complete the full designation.

This course retails for \$1195 and all attendees will receive access for FREE.

HOW TO RECEVIE YOUR CHVP DESGNATION:

If you are interested in pursuing the CHVP designation select the Capstone option (\$79 fee) at registration.

The Capstone is a written review of a vendor to put your learning into practice.
